Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicants received a copy of Form PCT/DO/EO/903 and note that the U.S. Patent and Trademark Office has received and thus the National Stage file contains a copy of the International Search Report and copies of the references cited in the International Search Report. Applicants understand that pursuant to MPEP 1893.03(g), the Examiner will consider the references cited in the International Search

I hereby certify that this correspondence (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231 on

Report, without any further action by Applicants under 37 CFR 1.97 and 1.98. Because there is no requirement for the Examiner to list the references cited in the International Search Report, Applicants will understand that the Examiner has in fact considered the references cited in the International Search Report.

The remaining references listed on Form PTO-1449 are also brought to the attention of the Examiner as being possibly material to examination of this Patent Application.

German Patent Reference 38 43 396 teaches an optical system that has three camera devices in communication with a battery and a computer to produce an image from lenses.

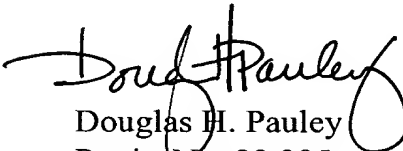

German Patent Reference 44 34 233 teaches a positioning system and a measuring system in communication with mechanical sensors and a position data collector.

The paper entitled *Optical vibration measurement on distantly situated objects* contains an abstract (see page 223) in the English language.

Serial No.: 09/786,951

Form PTO-1449 (1 page) is enclosed with a copy of each and every reference cited on Form PTO-1449.

Respectfully submitted,
